## what does membership mean?

Membership in Harmony Tribe is important for a few reasons. The first, and perhaps the most critical, is that it is an important way of supporting the community and to ensure that Sacred Harvest Festival remains healthy and viable. Second, membership allows you to have a voice in the annual operation of the festival, as well as allowing you to decide who you would like to represent your interests on the Harmony Tribe Council. Third, membership allows you to hold an office or run for a council position. As the most important role of a member is to help support the organization as a whole, we request that all members commit to volunteering at least some time during the year. We look forward to working with you! By signing below, you are certifying that you want to participate in good faith to help Harmony Tribe facilitate another great Sacred Harvest Festival!
